Acknowledgement of Country

We acknowledge that we meet today on Meru Country, and recognise the Erawirung and Ngintait peoples as the Traditional Custodians of this land. We recognise their continuing connection to the earth and waters, and thank them for protecting this land and its ecosystems since time immemorial. We pay our respects to Elders past, present, and emerging and extend that respect to all First Nation peoples present here today.

SEASON OF CREATION CELEBRATION GUIDE

LET JUSTICE AND PEACE FLOW

Staff Retreat Day

All staff gathered last Friday at Banrock Station to engage in a day of reflection and dialogue. We were joined by Jacqui Remond, who guided staff through the day.

The purpose of the retreat day was for the staff of St Francis of Assisi College to engage with Pope Francis' encyclical *Laudato Si'* – On Care For Our Common Home, to deepen our individual and collective understanding of Integral Ecology in response to the ecological, economic, cultural and social crises and discern the implications and co-creative responses for the common good. The day focused on *Laudato Si'* Goals 1, 2 and 4: Responding to the Cry of the Earth and the Cry of the Poor, Ecological Spirituality.

The day finished with staff re-visiting some of our agreed priorities that will embed our commitment to *Laudato Si'* as a school community. These priorities are:

1. **Bookmark Creek** – ongoing engagement with stakeholders to grow our student engagement with Bookmark Creek in a range of ways.
2. **'Empow-her'** – wellbeing initiatives catering for specific needs of our female students.
3. **The Community Garden** – developing beyond the kitchen garden aspect, and engaging with key stakeholders to engage with our regions First Nations people, agricultural and industry links, and bringing the local community in to our College.
4. **First Nations Partnership** - An ongoing relationship with the Meru/ Erawirung people is a critical element of the *Laudato Si'* vision.
5. **The *Laudato Si'* approach for engaging students in social justice issues**

R U OK? DAY 2023 – I am here to hear

This week we celebrated R U OK? Day on Thursday 14 September. The message this year is "I am here to hear." The message appreciates that life's ups and downs happen to all of us and R U OK? is calling on all of us to let the people you care about know you're here, to really hear them. So chances are someone we know might be struggling, and our genuine support can make a difference with

whatever they are facing, big or small. R U OK? Day encourages us not to wait until someone is visibly distressed or in crisis. Rather we are urged to make a moment meaningful and ask them how they're really going. I take this opportunity to reiterate that St Francis of Assisi College has a strong commitment to wellbeing, using trauma informed, scientific methodology of Positive Psychology, which is designed to guide and strengthen relationships. All staff are trained in the Resilient IMPACT program of intentional practice, which is carried out with our partner, Life Buoyancy Institute and focuses on adults being mindful teachers, who intentionally respond to individual and student growth needs.

At St Francis of Assisi College we also use Orah wellbeing check-ins twice per week during Home Group, we want to know if our students are ok every day.

Season of Creation

We have entered the Season of Creation which will end on 4 October, the Feast of St. Francis of Assisi, the patron Saint of Ecology.

This week you might like to ponder these questions as a family:

1. Can we be more mindful in the way we reduce, reuse and recycle?
2. How can we live more simply and incorporate time in nature into our day?

'...Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature...' (Excerpt from the 2023 Laudato Si' Prayer)

Nathan Hayes, Principal

Leader of Learning

Community Open Night Showcase of Learning 2023 and \$20 BOSS Expo

A evening of action packed entertainment!

5pm - 7pm - Monday 25th September

Following last year's great success we have combined our *Showcase of Learning* and *\$20 Boss Expo* into one evening of community fun. Come along and see what our students are learning and sample their \$20 BOSS business products.

BBQ, salads and drinks courtesy of our Industry & Community Engagement Sub-Committee

High Impact Teaching Strategies – Explicit teaching

For our collaborative and reflective practices cycle this term, teachers have been asked to focus on the high impact teaching strategy of explicit teaching. When teachers adopt explicit teaching practices they clearly show students what to do and how to do it. The teacher

decides on learning intentions and success criteria, makes them transparent to students, and demonstrates them by modelling. The teacher checks for understanding, and at the end of each lesson revisits what was covered and ties it all together. Providing explicit instruction to students limits the mental effort for students allowing them to process new information more effectively. It also improves students' ability to recall previously learnt knowledge and provides opportunities for students to achieve learning outcomes efficiently and effectively.

Showcase of Learning

On Monday 25 September, from 5-7pm, the College will be holding our annual Showcase of Learning evening. Following last year's great success, we have combined our Showcase of Learning, \$20 Boss Expo and Limitless Possibilities Business Expo into one evening of community fun. This night will showcase students learning and their achievements across all year levels, with year 8 \$20 boss business products available to purchase. Also, thanks to our amazing Industry and Community engagement sub-committee, BBQ, salads and drinks will be provided. Please join us and celebrate in our students' successes.

Term 3 Learner Conversations

Student/Parent/Teacher conversations will occur Tuesday 19 September and Wednesday 20 September from 4pm-6:30 pm at the College. This term these conversations will occur with your child's subject teacher. Your child is an important part of this conversation as they reflect on their strengths and needs as they become a capable learner.

Student progress update reports were released through SEQTA on Thursday 7 September. To access these reports, click on assessments and the relevant subject. Please view these reports, as a subject teacher may have identified an interview would be beneficial to discuss your child's learning and to support their progress.

If your child has a teacher for multiple subjects, could you please make one booking time slot with that teacher. This will ensure there is enough booking times available for all parents.

Bookings are made online through School Interviews

To log on, please use the link

<https://www.schoolinterviews.com.au/code/wc256>

If you are unable to book an appointment but would still like to meet with a teacher, please contact the school on 8595 4500. Please contact the College if you have any questions.

Natalie Meuret, Leader of Learning

College Community Wellbeing

Student Transitions

Last Thursday, we welcomed students from St Albert's Catholic School and several students from other Riverland primary schools for an Immersion Day. Once again, Food Technology proved to be a hit and many of the students shared they couldn't pick just one aspect of the day as their favourite because they enjoyed everything!

We look forward to meeting our 2024 Year 7 cohort at our two formal transition days held on Thursday November 30th and Friday December 1st.

Year 7 Transition Program

Thursday Nov 31st | Friday Dec 1st

Limited Spaces for 2024
Enrol Now!

If you are interested to reserve a place for your child or to book a tour, please contact the College on (08) 8585 4500 or via email info@assisi.catholic.edu.au

R U OK? Day

R U OK? DAY™

Thursday 14 September 2023

September 14th was R U OK? Day.

What is R U OK?

R U OK? is a harm prevention charity that encourages people to stay connected and have conversations that can help others through difficult times in their lives.

Today brings awareness to how we can support people going through tough times and to encourage friends and family to check in with each other with meaningful conversations.

What does a meaningful conversation look like?

It makes them feel supported, heard and safe. The conversation is helpful and makes them feel better and assists in managing their situation.

Year 8 Wood Technology

In Term 3 in Year 8 Wood Technology, the Year 8A class deepened their understanding of the design process through a Compressed Air Dragster Project. Students conducted individual research into the most aerodynamic designs, as well as creating ways to reduce the overall mass of their dragster. They completed hand drawn sketches of their designs to create a template, which were used to cut out the initial shapes of their dragsters. They then used a variety of hand tools to shape the body of their cars, before adding eyelets, axels and wheels. They tested their cars for speed, before going back and making necessary modifications to maximise aerodynamics. Finally, students spray painted their cars and raced them.

The winner of the dragster competition was Anu Arkan, who defeated Greg Empedocles in the final. The best design was awarded to Jaxon Curtis with his Hot Dog design, ahead of Kaleb Moxham and Sophie Robertson. Well done to all students!

Year 8 - Rube Goldberg Machines

Year 8's have been building Rube Goldberg machines in Science

Inspired by Nature

Year 8's have been drawing inspiration from nature to assist with their visual art assessment. Along with this, students have been exploring and using different mediums in art.

The only limited criteria was set for students, these were:

- inspired by nature
- abstract or semi-abstract outcomes
- A3 size

These artworks will be on display for our upcoming showcase of learning evening and the students will be very proud to present them to you.

Amber Burgess, Art Teacher

Rowing - Grade Regatta #2, West Lakes

On Saturday 9th September, our Rowing Program students competed in their first Regatta for the season at West Lakes. This Regatta is part of a format that was added to Rowing SA's Regatta Calendar this season, to support new rowers and provide a non-intimidating introduction to racing.

We entered 9 crews in 7 events – Singles, Doubles and Coxed Quads, in both Novice and 3rd Grade Divisions.

While this is a regatta with fewer entries, our rowers were able to test out their improved fitness and skills in each event. There were some exciting pushes to the finish line amongst our Year 8 and 9 girls 4x+ (Coxed Quads), with each securing a win over the other in their two races. We also had most crews finish ahead of at least one other crew from an Adelaide Club. The day ended with a very exciting race, Brodie and Harry fighting it out against Pt Adelaide in the Novice Men's 2x – if it wasn't for a seat breakage in the last 100m our boys would have won!

A huge congratulations to all our rowers on an exceptional start to our competitive season. Not only did you all represent the College well amongst the wider Rowing SA community, but you also all noticed the difference your training is making to your performance. A great improvement!!

School newsletter

August 2023

School fees for 2024

We are pleased to inform our school families that there will be no increase in school fees for the 2024 school year.

Catholic Education SA has announced it will freeze tuition fees at its 84 Diocesan schools for the 2024 school year.

"We recognise that cost-of-living increases are putting significant pressure on families," says Dr Neil McGoran, Executive Director, Catholic Education SA.

"Growth in enrolments across the State in our 101 Catholic Schools, together with prudent financial management, puts us in a position where we are able to hold tuition fees at this year's level."

Dr McGoran said the fee-freeze will not impact the quality of education.

"We're committed to keeping school fees as low as possible and ensuring a Catholic education is affordable and accessible to all."

Since 2019, Catholic Education SA has been implementing the *Making Catholic Education More Affordable Initiative* to ensure Catholic schools are accessible to any family who wants their child to have a Catholic education.

In addition to the fee-freeze, further fee remissions are available to any family who is struggling to pay school fees due to financial difficulties. Families should contact Anthony Pickering, Finance Manager for more information.

Important Message: Missing College Sports Tops

We are missing a number of the College's sports tops used by students when they are representing the College for a range of different sporting events.

Can we please ask both parents & students to have a good look at home for any St Francis Sports tops.

These can be returned (preferably laundered) to either Mr Sampson or Mr Prokopec in the Staff Office.

With several events coming up these missing tops will be needed.

Any help with this is greatly appreciated.

Strengthen skills.
Build savings.
Take control.

Save \$500 and ANZ will top up your bank account with another \$500.

Income, eligibility and participation criteria apply, go to saverplus.org.au for more information.

1300 610 355 saverplus.org.au

Saver Plus supports people to develop life-long savings habits. It's delivered by Brotherhood of St. Laurence, The Smith Family and Berry Street. It's funded by ANZ and Department of Social Services, learn more saverplus.org.au

Could your family use an extra \$500? Learn about Saver Plus.

If you save up to \$50 a month for 10 months, Saver Plus will double it.

\$500 saved + \$500 matched = \$1000 (in 10 months)

Participants can put that **money towards education expenses** for themselves or their children, including:

- Computers, laptops, and tablets
- Books, uniforms & shoes
- Sports & music, camps, excursions, and more...

What is Saver Plus?

Saver Plus is a program for people on lower incomes. It's about **boosting their financial skills**, so they can develop (and keep) **good savings habits**.

At its heart, Saver Plus is about steering people towards sustainable, life-changing savings habits that set them up for a brighter future.

Royal Life Saving South Australia - Holiday Swim Program

ROYAL LIFE SAVING
SOUTH AUSTRALIA

HOLIDAY SWIM

PRIVACY.FLOWCODE.COM

HOLIDAY SWIM

ENROLMENTS OPEN
NOW

Swim SURVIVE **GET IN QUICK!** **Holiday Swim**

WWW.HOLIDAYSWIM.COM.AU

Holiday Swim is a Royal Life Saving Society South Australia initiative bringing affordable and educational swimming and water safety lessons to pools and inland waterway locations across Metro and Regional South Australia since the 1950's. The aim of the program is to teach children critical life saving skills and basic swimming skills, to equip them with the knowledge to stay safe in, on and around the water.

The aim of keeping the program affordable, is to reach families and communities that might otherwise miss out on the opportunity to participate in swimming lessons, and as we approach the busy Summer months now is the time to equip them with the knowledge to save a life.

The program will be returning in December 2023 and January 2024 with the newly adapted Royal Life Saving Swim & Survive program.

Royal Life Saving also offer pathways into the aquatic industry with their ICONIC Bronze Awards. The Bronze Star, Bronze Medallion, Bronze Cross, Award of Merit and Distinction levels are designed for those wanting to further their knowledge and skill set, before moving into the aquatic industry as Lifeguards and Swim Teachers within the local communities.

SATURDAYS ARE FOR THE GIRLS

NEW AND EXCITING FEMALE FOOTBALL
COMPETITIONS IN THE **RIVERLAND**

SANFL X

U16 (born 2007-09)

U13 (born 2010-12)

Register now for **FREE** to be put into one of four exciting teams in each grade.

Each registered participant receives a SANFL pack which includes a football and West Adelaide drink bottle.

WHEN

Saturday mornings.

U13: 9.30am. **U16:** 11.10am.

DATES

October 21-November 25

WHERE

A different RFL venue each week (TBC)

**REGISTER
HERE**

Scan the code to
join the fun!

Contacts: Nick Dillon | 0479 016 854 | nick.dillon@sanfl.com.au
Kayla Mudge | 0429 626 885 | kayla.mudge@sanfl.com.au

SANFL is excited to announce the new format for girls footy in the Riverland.

Starting on October 21, the SANFL will run FREE U16, U13 & U10 competitions and training squads, plus an All-Girls Auskick at the discounted price of \$50!

The exciting new format will give girls of all skill levels - including newcomers - the chance to play in an all girls format.

The **SANFL X** competition will see girls placed into one of four teams (not club-based) at U16 and U13 level and coached by some of the Riverland's top coaches.

The six-week program on Saturday mornings will see the players train and then play at a central RFL venue each week.

Best players, goal kickers and ladders will be recorded too!

Register via the QR codes on the flyers below or here: <https://www.playhq.com/afl/register/210e8c>

The **SANFL Stars** program will see U10s come together under the eye of newly appointed SANFL staff member Kayla Mudge, to learn the fundamentals, rules and nuances of footy, but most of all to have fun!

Register via the QR codes on the flyers below or here: <https://www.playhq.com/afl/register/210e8c>

And the **All-Girls Auskick** will be headed up by local goal kicking superstar Stacey Geyer.

The first 24 girls to register will also get to take part in the AFLW half time experience at the Adelaide v North Melbourne game in October.

Registrations for All-Girls Auskick will open at a later date so keep your eyes peeled for that information.

If you or your child would like to get involved in any of these programs, please don't hesitate to contact the SANFL staff below:

Nick Dillon | 0479 016 854

Kayla Mudge | 0429 626 885

Employment Opportunity - Bus Drivers

Our partners, LinkSA are currently recruiting bus drivers for permanent positions! LinkSA would like to employ someone from our College community and are also open to applications from the broader community. Driving hours are between 7am-9am and 3pm-5pm and the role would suit a semi-retired person. Support will be provided to the right applicant to obtain accreditation and extensive training will be provided.

Requirements –

- As a minimum a MR licence is required
- Applicants need to be willing to get bus accreditation
- Working with Children Check is required

Stay Connected

Stay Connected!

SEQTA

SEQTA is used in many ways. Students and Parents/ Caregivers are able to access lesson details, assessment submissions, grades and feedback. SEQTA Engage is great for parent/teacher communications, student timetable details and to keep up to date with the College notices.

EDSMART

Edsmart enables parents to sign and return permissions electronically. Our College utilises Edsmart to send out school policy information and agreements, permission and consent forms, general updates and information around upcoming events.

FACEBOOK

St Francis of Assisi College Facebook page features exciting event updates and general information. We share school sporting results, student achievements, along with many photos and videos of our students and activities both inside and outside the classroom.

NEWSLETTER

The Newsletter is sent out fortnightly via email. You can also find our newsletter link on our webpage. In our newsletter, we share what's happening in the College community, upcoming events and general notices.

Absentees to be notified via: SEQTA Engage, or absent@assisi.catholic.edu.au, or call 8595 4500

Riverland YEL Forum (Young Environmental Leaders)

2023 Young Environmental Leaders **Riverland** Term 3 YEL forum

Sustainable water use

What does it mean to be sustainable with our water? How are researchers developing new ways to deliver water? How is water managed in the river and wetlands? Join us at the Loxton Ag-tech farm to find out!

Wednesday 20 September 2023
Loxton Ag-tech demonstration farm.
Dorsch Avenue Loxton.

YEL forum 10:00 am - 2:00 pm

Please ensure students have recess/morning tea on the way to the YEL location ready for forum start at 10:00 am.

This YEL event will be held outside, please ensure attendees dress for the weather on the day and are wearing enclosed shoes suitable for the farm tour and other activities.

Registration for each YEL forum is essential:
rlt3YEL2023.eventbrite.com.au

Cost: Free. This project is supported by the Murraylands and Riverland Landscape Board through funding from the landscape levies.

For more information about this event please contact Cindy Kakoschke:
cindy.kakoschke@sa.gov.au

2023 Young Environmental Leaders

Riverland term 3 YEL forum

Sustainable water use

Wednesday 20 September 2023 - Loxton
