Acknowledgment of Country

Acknowledgement of Country

We acknowledge that we meet today on Meru Country, and recognise the Erawirung and Ngintait peoples as the Traditional Custodians of this land. We recognise their continuing connection to the earth and waters, and thank them for protecting this land and its ecosystems since time immemorial. We pay our respects to Elders past, present, and emerging and extend that respect to all First Nation peoples present here today.

From the Principal

Appreciating our Education Support Officers

This week we celebrated 'Support Staff Week of Action'. This was an opportunity for us to recognise the significant contribution that our wonderful Education Support Officers make to our school community. Their work is wide and varied across our school. It ranges from

supporting children in classes with their learning and wellbeing to ensuring that our wide range of administration services run day to day. Without them our College would not function. With grateful hearts, may we all give thanks for our fantastic support staff.

A highlight of the week was the collection of personalised messages our ESO staff received from students and staff in the College. This specific feedback to each individual ESO highlights the significant impact on our students.

Season of Creation

This weekend we will enter the Season of Creation. The Season of Creation is the annual Christian celebration to pray and respond together to the cry of Creation: the ecumenical family around the world unites to listen and care for our common home. The Season "Celebration" begins Sunday 1 September, the World Day of Prayer for the Care of Creation, and ends Friday 4 October, the Feast of St. Francis of Assisi, the patron saint of ecology beloved by many Christian denominations. This week you might like to ponder these questions as a family:

1. How can we live more sustainably? 'Less is more.' What does this statement mean to you?
2. How well do we listen to the cries of the earth? You might like to explore further information here:

Season of Creation - *Laudato Si'* Movement <https://seasonofcreation.org/>

Staff Retreat Day – Friday 6 September

Friday 6 September (Week 7, Term 3) our staff will attend our annual Staff Retreat Day.

Mrs Sheridan Bonney, our Assistant Principal of Religious Identity and Mission has planned a day of engagement and self-reflection.

The thread of the day will link to our College Motto; *Laudato Si'*, with a particular focus on 'Care for Self', and a connection to Creation also.

Wellbeing Initiative - Classroom Pulse 'Check-In'

As in past years, each term this year during Week 5 and 6 every student in a Catholic School in South Australia will participate in a simple online Classroom Pulse Check-In. This Check-In has been developed to ascertain how students are currently feeling about their experience in school. It is tailored to allow your child's teacher(s) to Check-In and provide immediate feedback and support to them. The Check-In will be carried out during the school day. There are a range of simple questions about your child's life at school, their identity as a person and a learner, their sense of belonging, safety, and friendships.

A sample of the Check-In can be found here: www.cesa.catholic.edu.au/classroompulse

'Every conversation matters.' - National Child Protection Week: September 1 to September 7

In 2024, the National Child Protection Week message that '**Every child in every community needs a fair go**' will be complemented with the theme '**Every conversation matters**'.

Conversations are powerful tools to keep children and young people safe and well.

Conversations can help us understand issues, craft solutions, value community knowledge, and build the brains and social connections of children and young people.

Conversations between

...children and their caregivers matter (from the very earliest days)

...children and their peers matter

...families with teachers, doctors, and other professionals matter

...friends or neighbours matter

*...decision-makers and the communities they serve **matter**.*

And, of course, conversations in the public realm and media matter...

So this National Child Protection Week we invite you to speak up – and speak together – about what needs to change for every child in every community to have a fair go.

This theme provides a platform to:

- engage in important conversations,

- promote the value of conversations, and
- equip us to have conversations that keep kids safe.

Mr Nathan Hayes, Principal

Religious Identity and Mission

Year 7 Faith in Action

As part of our Faith in Action initiatives, our Year 7 students have been researching cultural and faith gardens to prepare for designing and building our own at St Francis of Assisi College. Last week, we were fortunate to have Tony Sharley, Founder and Guide of Murray River Trails, as our guest speaker.

Tony shared his expertise on creating gardens that both reflect and support our local environment. He emphasized the importance of using native plants, which are adapted to our unique climate and soil conditions, ensuring a garden that thrives sustainably. Native plants not only meet our area's specific needs but also enhance the garden's cultural and ecological value.

In addition to Tony's insights, we are excited to welcome Sam Mitchell, who will offer a First Nations perspective on garden design, and local ecologist Heather Neilly, who will share her expertise with our cohort. We are deeply grateful for these expert locals who are generously sharing their time and knowledge with us, enriching our understanding and helping us create a garden that truly reflects our community and environment.

Prayer - Season of Creation

The Season of Creation typically runs from September 1 to October 4 each year. It begins on the feast of St. Gregory the Great and ends on the feast of St. Francis of Assisi. This time is dedicated to prayer, reflection, and action on behalf of the environment and our responsibility to care for creation.

Creator God,

As we near the Season of Creation, we thank You for the beauty and wonder of our world. Help us to care for the Earth and all living things with love and respect.

Guide us to live in harmony with nature and to protect Your creation for future generations.

Through Christ our Lord,

Amen.

Book Week 2024: "Reading is Magic"

Week 5 marked the much-anticipated Book Week, and this year's theme was "Reading is Magic". All year levels engaged in book week activities within Pastoral Care, either here at the College, or through primary school partnerships. Here's how each group celebrated:

The Year 7 students embraced their inner authors by crafting their own magical stories. With a prize on the line, they brought enchanting worlds and characters to life.

Our Year 8 cohort took a trip to St Joseph's Barmera, where they engaged in Book Week activities with the Reception to Year 2 students. It was a wonderful opportunity for the older students to inspire and share the magic of reading with the younger ones.

Similarly, **the Year 9 cohort** travelled to St Joseph's Renmark to join the Year 3 students in their Book Week celebrations. Students had various opportunities to read aloud to the class, take turns in paired reading, and create magical bookmarks. The Year 3 students loved showing off their fantastic costumes and had a great time listening to the Year 9's read.

The Year 10s took a nostalgic turn. Firstly, staff members shared their favourite childhood/teen books, and how they inspired their love for reading. It was then the students turn to share their childhood favourite books. This activity not only rekindled fond memories but also encouraged discussions about how these stories have shaped their imaginations over the years.

Book Week 2024 was a magical experience for all involved, reinforcing the idea that "Reading is Magic" at any age.

Thank you to **Mrs Isabella Trudgian** for organising this year 's engaging Book Week activities.

Term 3 Student Progress Update Reports

Student progress update reports will be released through SEQTA on **Thursday 5 September**. To access these reports, click on assessments and the relevant subject.

The aim of this report is to provide parents/carers feedback about their child's progress before a formal grade is given in the end of semester report. Feedback enables a student to monitor their learning and focus on areas for improvement. It also provides a starting point, for parent/carers to discuss their child's attitude to learning, to ask about your child's strengths and how they can be enhanced, to ask which subjects are most challenging for your child and why, and to focus on your child's learning growth and progression rather than the grade. We hope you find these progress reports valuable.

Learner Conversations

Learner conversations will occur **Tuesday 17 September and Wednesday 18 September** from 4pm-6pm at the College. These meetings will involve subject teacher, parent and child. Your child is an important part of this conversation as they reflect on their strengths and needs as they become a capable learner.

Further details will be provided on how to make a booking with your child's subject teacher.

Mrs Natalie Meuret, Leader of Learning

Year 8's visit St Joseph's Barmera to share story-time and bookmark-making with Year R's

Year 9's visited St Joseph's Renmark to join the Year 3's for Book Week celebrations.

College Community Wellbeing

Community Wellbeing Week

We invite all the families of our students to attend from **1:15pm on Thursday in Week 8** to enjoy the completion of Community Wellbeing Week.

The student leaders have been diligent in their preparation for the activities across the week. We look forward to our family activities on Thursday afternoon organised by the **Ventus student leaders** that includes a bake sale fundraiser and a range of competitive games during our extended lunch.

Year 10 Outdoor Education Bike Riding Camp

In Week 4, our Year 10 Outdoor Education students, accompanied by Miss Ruby Orchard, Mr. Luke Prokopec, and Mr. Adrian Hunt, embarked on a 3-day bike riding camp at Calperum Station.

Throughout the camp, students showcased their impressive camp craft, navigational, and organisational skills. They also had opportunity to engage in an educational session with an ecologist, gaining valuable insights into ecology, particularly concerning the Murray River and its surrounding areas.

Despite the challenges, our students displayed remarkable resilience and perseverance, making the most of their time at the camp.

A huge thank you to **Mr. Prokopec** and **Mr. Hunt** for their invaluable support in the support vehicle, ensuring a safe and enjoyable experience for everyone.

Miss Ruby Orchard, Yr 10 Outdoor Education

Year 7/8 Football

On Wednesday of Week 6, Mr. Sampson and Mr. Goodman took our Year 7/8 Boys Football team to Clare to play in Round 2 of the Statewide School Competition.

In the first game vs. Balaklava HS, our boys played with great speed and confidence, linking up well with handball receives and moving the ball forward quickly. This resulted in a strong performance with lots of scoring shots.

St. Francis of Assisi College 7.12 54

Balaklava HS 2.2 14

Best Players: Jack O, Noah W, Jack F, Louis B, Harry L, Seb C.

Goalkickers: Noah W 3, Seb C 2, Yanni K 1, Louis B 1.

We then played straight away against Clare HS, who certainly had some very talented individuals in their team. Our boys worked tirelessly to slow them down and apply lots of pressure. Unfortunately, Clare HS were too good for us and deserved to come away with the win.

St. Francis of Assisi College 3.4 22

Clare HS 5.7 37

Best Players: Harry L, Samuel W, Jack O, Campbell D, Tejdeep S, Jenson S.

Goalkickers: Noah W 1, Seb C 1, Samuel W 1.

A big thankyou to **Mr. Goodman** and **Mr. Sampson** for their organisation and coaching on the day, as well as Henry D (Year 10) and Ivan A (Year 7), for their help as field and goal umpire on the day.

Mr Fraser Sampson, HPE Teacher

7-9 Boys Knockout Netball 2024

In Week 6, the 7-9 Boys Knockout Netball team made their way to Netball SA Stadium in Adelaide to participate in the State-wide School Sport Knockout Netball Finals. The first two games against Blackwood HS and Modbury HS were tough games, with the team putting up a good fight in the second half of each game. The team got their first win on the board in a close game against Seaview HS (26-25) in the third match of the day. They came up against Seaview HS again in the 3 v 4 final, where they fought back in the last 10 minutes from 9 points down, to take out the win 28 -26! The whole day was a great showcase of individual skill, teamwork, and good sportsmanship!

Reece C was also approached and invited to take part in the National trials for the South Australian Men's team in September!

Rowing Program Update

After a disrupted start to our training this term due to illness, we had our Senior and Junior squad returning to the water healthier. The focus is building our endurance and incorporating our learnt technical skills into longer, steady state sessions. We mixed it up and travelled downstream through the Paringa Bridge. Our squad is preparing for upcoming Regattas at the end of Week 7 and 9, both held at West Lakes, Adelaide.

Life Without Barriers - Become a Foster Carer

Share your world

Become a foster carer

It's the little things that matter most – like having a safe place to call home, someone you can smile with and the right support.

You can make an extraordinary difference in the life of a young person by sharing those ordinary, everyday moments.

We are looking for compassionate individuals, couples and families to become foster carers to provide a safe and supportive home for vulnerable children and young people. We'll support you 24/7 and provide all the training you need.

If you have a spare bedroom and time to share, we'd love to hear from you. Contact us today and be the positive change in a child's life!

Many children will have a positive experience starting school or moving from primary to high school and despite some initial nervousness, most will settle in very quickly. However, we know some parents/carers may be very concerned about the upcoming

changes e.g. buying uniforms, books or devices and that's where we can help.

What is Saver Plus: Saver Plus is a free online money skills program for people on lower incomes and matched savings program. It's about strengthening financial skills, to build and develop (and keep) good savings habits.

Saver Plus encourages parents to **save \$50 a month** (for 10 months). Savings are then matched - a **free \$500 for education costs**.

Now accessible to any eligible Australian – no matter where they live.

SEQTA

SEQTA is used in many ways. Students and Parents/ Caregivers are able to access lesson details, assessment submissions, grades and feedback. SEQTA Engage is great for parent/teacher communications, student timetable details and to keep up to date with the College notices.

EDSMART

Edsmart enables parents to sign and return permissions electronically. Our College utilises Edsmart to send out school policy information and agreements, permission and consent forms, general updates and information around upcoming events.

FACEBOOK

St Francis of Assisi College Facebook page features exciting event updates and general information. We share school sporting results, student achievements, along with many photos and videos of our students and activities both inside and outside the classroom.

NEWSLETTER

The Newsletter is sent out fortnightly via email. You can also find our newsletter link on our webpage. In our newsletter, we share what's happening in the College community, upcoming events and general notices.

Absentees to be notified via: SEQTA Engage, absent@assisi.catholic.edu.au, or call 8595 4500
